SCHEDULING ORDER

This Docket concerns a petition jointly filed by Central Vermont Public Service Corporation ("CVPS") and the Town of Readsboro, requesting the Vermont Public Service Board ("Board") to issue certain approvals related to CVPS's proposed acquisition of the Town of Readsboro Electric Light Department's ("Readsboro Electric") distribution system.

On February 11, 2011, the Vermont Department of Public Service ("Department") requested an extension to February 25, 2011, for the parties to file either a stipulation or proposed litigation schedule. The Department represents that CVPS and Readsboro Electric do not object to extending the deadline. The Department recognizes that additional time may be needed to review the filing before the technical hearing scheduled for March 4, 2011. Accordingly, in the event that the technical hearing is rescheduled, the Department requests that the hearing be held as soon after March 23 as possible to accommodate vacation schedules for some of the witnesses.

The Department's request for an extension is granted. In order to ensure that there is adequate time to review the February 25 filing, the technical hearing will be rescheduled for March 29, 2011.

SO ORDERED.

Dated at Montpelier, Vermont, this 18th day of February, 2011.
